Our Additional Services Charge

Our additional services charge covers consumables and our extensive enrichment programme where outside agencies visit us twice a day which are not covered by the government funding.

It includes:

Cheeky Chimps Music classes

Theatrical Leanne

Dancing Becki (Elizabeth school of Dance)

Multicoach Sports

Rugby Tots

In addition, it covers the cost of our Forest School sessions that take place daily, the employment of six qualified Teachers (QTS), 2 Level 6 Early Years' Practitioners and 1 Practitioner undertaking an Early Years' Initial Teacher Training qualification. In the Forest there are currently 3 staff with the Level 3 Forest School Qualification and a Practitioner undertaking training to achieve a level 3 too. We offer a wide and exciting snack menu that is offered throughout the day.

The cost of this service is inclusive of the fees paid by those **not** in receipt of government funding (under 3's).

Please note that currently the additional service charge is £2.00 for every funded hour attended. There is an additional fee of £15.50 per session in Forest School. Please do bear in mind that children do not receive government funding until the term AFTER their 3rd birthday and not as soon as they turn 3.

For example, a funded child that attends:

15 hours per week (5 morning sessions) will receive a bill of £30 per week.

We do accept 30 hours funding, subject to eligibility. We are unable to share 30 hours funding with other settings.

Hot lunches are a chargeable extra.

Please do get in touch if you require any further details. We would love to hear from you.
